

In your arms

My heart's like a heavy stone
My soul has run out of words
I feel naked and alone
I feel lost and hurt

I lift up my eyes to you
And I start walking towards you

Come and take me in your arms
Come, draw near me, hold me close
Come, let me hear your heartbeat
Never let me go

God, You look at me
With your eyes full of love
You take me in your arms
You embrace me in your love
