

Travelling

Travelling, I am on the way
Travelling with you
Towards your great light

Jesus, you are my way
my only aim
You are my light

And I'll go faster, deeper, farther, higher,
more acute, clearer, stronger, brighter
faster, deeper, farther, higher,
I want you alone

I want you bigger, closer, fairer, truer
mightier, holier, and revealed
bigger, closer, fairer, truer
I want you alone

Hold me close and lead me on
And I will hold on to you
Come and guide me in your way
I want to be with you 'till the end of days
